AMENDMENT AND RESPONSE TO OFFICE ACTION

This is filed in response to Office action (*Ex parte Quayle* action) dated February 24, 2004. A two-month period for response was set, making a response due on or before April 24, 2004. Because that date is a Saturday and April 25, 2004, is a Sunday, a response filed on or before April 26, 2004, is timely. It is believed that no fees are required in connection with this filing. However, if the Commissioner determines that a fee is necessary, deposit account authority is provided on the attached Transmittal Sheet.

Please amend the referenced application as follows:

Amendments to the Specification begin on page 2 of this paper.

Amendments to the Drawings begin on page 4 of this paper.

A **Listing of Claims** begins on page 5 of this paper.

Remarks begin on page 7 of this paper.

An **Appendix** including an amended drawing sheet and an annotated sheet showing changes is attached to this paper.
